INSIGHT
CORDLESS LIGHTING

2020/2021

At Insight Cordless Lighting we specialise in the design, manufacture and supply of premium quality cordless table lamps for hotels, resorts, restaurants, bars, cruise liners and homes around the world.

Established in 2011, the Insight brand was founded by Nigel Fawkes after wanting to develop a table lighting solution with extensive wireless benefits that would become the future of hospitality table lighting. Now Insight is one of the worlds leading suppliers of cordless table lighting to the hospitality industry and known for quality products and excellent customer service.

"Through unparalleled quality standards and a customer-first mentality, we have developed a reputation of not only a superior product, but one of great customer focus. Compare our range of cordless table lamps with any of the competitors and you will instantly see why global leaders in the hospitality industry choose Insight."

COST SAVINGS

Of course, you can't discuss the benefits of cordless lamps without mentioning the huge cost savings they provide over their open flame counterparts.

Whether you have a 12 table restaurant or a national chain using thousands of candles, making the switch from tea lights, fuel cells and pillar candles could save you tens of thousands throughout the useful life of our cordless lamps.

DESIGNED FOR THE
DEMANDS OF HOSPITALITY

To guarantee performance night after night, year after year, our cordless Lamps only use the highest quality components sourced locally and around the world to our exact specification.

We work closely with our manufacturing partner to perfect the diffuser materials used in our cordless lamps. Each material is selected for its exceptional light diffusion properties and its high strength and good weather resistance. Our finished product are both a delight to look at and will have the durability to stand the test of time.
